EXPERIENCE

Muhlenfeld & Huish

Muhlenfeld & Huish is a financial partnership with over 55 years of experience in the financial services industry. They specialize in stocks and mutual funds that may pay attractive dividends with potential capital appreciation. Education is a cornerstone to their business structure, providing market update seminars every month. These classes are free and have no obligation associated with them. Their financial planning services range from simple investments to estate planning and corporate retirement plans.

Corporations benefit from the knowledge and vast expertise of the Muhlenfeld & Huish team. They expand their services to help companies who offer 401k choices, to give their employees guidance and explain market principles and data in simple terms. They focus on the individuals they counsel, helping them understand their choices and select the investments that are most suitable for each employee. They offer free second opinions on all investment plans.

Muhlenfeld & Huish joined First Financial Equity Corporation in 2009. It is a privately owned, full-service investment firm based in Scottsdale that was established in 1985. It currently has six supervisory offices in the United States, and is rapidly expanding. First Financial Equity Corporation believes in guiding principles of integrity, knowledge, innovation, and trust, making it a financial institution that we can all rely on.

Rob Huish

Senior Vice President - Investments
robhuish@ffec.com

Rob Huish learned at an early age that dedication and hard work lead to success. Raised in a small town in south-eastern Arizona, he excelled in academics and athletics. He believes in taking care of your neighbor and your family while treating others as he would like to be treated. He understands that clients want to make money, but need to be able to sleep at night. He only gives advice he would take if he were in their situation.

Rob has provided financial service for over seventeen years. He earned his BA Degree from Arizona State University in Business Management. Having worked as a Personal Banker, Business Development Banker and Premier Banker, he attained a wide array of financial experience in lending, insurance and structuring accounts to provide efficiency, flexibility and income. He joined Ed Muhlenfeld expanding his area of expertise to include investing, portfolio assessment and planning. Muhlenfeld & Huish provide an extremely high level of service with a focus on investor education. They successfully manage assets valued over 70 million dollars.
